Letter no A 6 C 681/41-42 dated 9-9 from the Deputy Comr Hassan Dist stating that the provisions of notification no L8577/ ML83-40-41 relating to the Scrutiny of estimates of works of Municipalities by the Executive Engineer of the concerned division retard the progress of execution of urgent petty works and recommending that the arrangement that was in vogue may be allowed to be followed or to fix a limit of Rs 250/- or so upto which the Municipal Councils may themselves get the work executed without the estimates being scrutinized by the Executive Engineer

4) A similar recommendation from the Dy Comr, Chitaldrug Dist to exempt the Davangere Town Municipal from the provisions of the revised Rules issued in the notification referred to above was recently received and sent to the Chief Engr of Mysore for his opinion. In the matter the Chief Engr has expressed that it is better to follow the existing practice

5) In the P & D the D S. Hos

Dist has stated that under the revised rules the municipal councils would be unable to take up even petty and urgent works without the estimate being scrutinised by the Executive Engr which naturally takes time and he therefore thinks that this procedure retards the progress of execution of urgent petty works to a great extent. It is accordingly suggested that the previous arrangement in this behalf may be restored or at least to fix a limit of Rs 250 or so up to which the Municipal Councils may themselves get the work executed without the estimates being scrutinised by the Executive Engr. In view of the reasons set forth by the D.C. there appears to be need to amend the rules in question so as to enable the municipal councils to take up urgent works without waiting for the scrutiny of estimates by the Executive Engr, and the amount for the purpose may be limited to Rs 200 or 250. The Secy of the other Dists may also be consulted if necessary.

6) The letters received from the Deputy Comr, Chittagong & the D.C Hassan Distt are for personal

The D.C Chittagong has recommended that the Dawaneegiri Tanks may be exempted from the operation of the rule promulgated in notn dated 28.5.1941 to the effect that in all cases where the estimated cost of the works does not exceed Rs 5000/-, the executive Engr should scrutinize the estimates

7) The D.C Hassan Distt states that the modified rule issued on 28.5.1941 would not enable the Mukhs (Zamindars to take up even petty projects like for small amounts without the estimates being scrutinized by the Executive Engineer who would naturally take time which would retard the progress of execution of urgent petty works to a great extent. These works could be carried out by trained Family & Boat family Inspectors employed by the Mukhs as they could prepare the required estimates with reference to the Schedule of rates maintained by them

8) As pointed above by the D.C. there is real administrative inconveni

if the rule issued on 2-5-1941 is enforced
Prior to this modification, the rule
issued on 10/7/1934 was to the effect
that only estimates exceeding Rs 500/-
were hitherto being sent to the Executive
Engineer for scrutiny before the works were undertaken
Now the scrutiny of the estimate by the Executive
Engineer for less than Rs 500/- is dispensing
accdg to the modified rule of 2-5-1941
In the circs it is necessary to restore
the previous order of 1934 so as to enable
the PWD officers to carry out petty works costing
Rs 500 & below

9) The following rules showing the position how
the existing rule may be modified —

Rule 4 of 1934 dated 10/7/34 clause (1) by the Deputy Engr of the circle in which the Pty-ies situated when the estimated cost exceeds Rs 500 but does not exceed Rs 5000/- Applicable to Town Municipal Offices	Rule 4 of 1941 (2-5-41) clause (1) by the Executive Engr where the estimated cost of the work does not exceed Rs 5000/- Applicable to Town Municipal Offices	Rule proposed to be modified now Rule 4 clause (1) by the Executive Engr of the Division when the estimated cost exceeds Rs 500 but does not exceed Rs 5000/-

The Chief Engr may be consulted again/A

SIR

SUBJECT — Scrutiny of Estimates pertaining to Municipal works - Davangere Municipality

---

Adverting to Government Order No L 8577-87/Ml 83-40-4 dated 28th May 1941 stating that it is desirable that all estimates irrespective of the amount relating to the works of municipalities, should be referred for scrutiny to the Executive Engineer of the Division in the first instance etc , I have the honour to state that needful instructions were accordingly issued to all the Presidents for their guidance

2 The Municipal President, Davangere states in his letter No H C 13/41-42 dated 11th August 1941 that the above orders of Government referred to above were placed before the Municipal Council for their information at their meeting held on 30th June 1941

3 The Municipal Council passed a resolution to the effect that Government might be requested to reconsider the order under reference and to exempt the Davangere Municipality from the operation of this Government Order dated 28th May 1941, in view

of the fact that there is a whole time Municipal Sub Engineer in the Municipality (vide resolution copy enclosed for kind reference)

4 The Municipal President states that the resolution of the Municipal Council to exempt Davangere Municipality from the operation of the Government Order cited above - deserves consideration and requests that in the speci l circumstances explained in his letter (enclosed for kind reference) kind sanction of Government might be obtained for granting exemption to the Davangere Municipality

5 I agree with Municipal President and recommend that in the circumstances explained by him special sanction of Government might kindly be obtained for exempting the Davangere Town Municipal Council from the operation of the Government Order No L 8577-87/Ml 83-40-41 dated 28-5-41 in case where estimates are below Rs 5000/-

Re - Scruitiny of estimates pertaining to Municipal works

Sir

I have the honour to state that Government, in their order No L 8577-87/M1 83-40-4 dated 20-5-1941 have been pleased to order that estimates irrespective of the amount relating to the works of Municipalities should be referred for scruitiny to the Executive Engineer of the Division in the first instance etc

While recording the above Government order, the Municipal Council resolved at their meeting held on 30-6-1941, that Government may be requested to reconsider the order under reference and that this Municipality may be exempted from the operation of this order as there is a whole time Municipal Engineer in this Municipality Vide copy of the resolution enclosed for kind reference

The resolution of the Municipal Council to exempt Davangere Municipality from the operation of this order deserves consideration as there is a public works establishment consisting of a Municipal Engineer of a Sub-Engineer's grade, a Sub-overseer on Rs 65/- P M and a kalihatti gang of 6 persons of Rs 12/- each Works to an extent of 30 to 40 thousand rupees are being annually carried out by the Municipal agency alone Besides, the water works in the Municipality are executed by the Specially trained staff under the supervision of the Municipal Engineer Moreover, there will be more of urgent petty works to be immediatly executed by the Municipality Another reason why the exemption is sought for from the operation of this order is, that the Asst Engineer No 4 Sub-Division, P W D is also an Ex-Officio member of the Municipal Council and his opinion is obtained while sanctioning the estimates In addition to all these above facts,

there is a water works Sub-Committee of the Municipal Council consisti among other members the Asst Engineer P W D , to whom the estimates are often referred for perusual, inspection and scrutiny,

Under these circumstances, I request that sanction of Governm may kindly be obtained for giving exemption to this Municipality as resolved by the Municipal Council

I have the honour to be,
S I R,

Your most obedient servant,

18/8/41

President,
Town Municipal Council,
Davangere

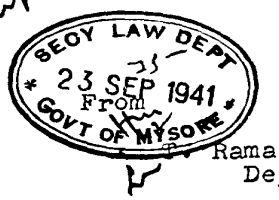
OFFICE OF THE DEPUTY COMMISSIONER
HASSAN DISTRICT

Dated Hassan the 22nd Sept *194* 1



From

Ramaiya, Esq , B A (Hons)
Deputy Commissioner, Hassan District

To

H V Narayana Rao, Esq , B A , LL B ,
Secretary to Government, Law Department,
Bangalore

Sir,

Adverting to Government Order No L 8577-87/M1 83-40-4 dated 28th May 1941, approving the proposals of the Chief Engineer in the matter of scrutiny of estimates by the Executive Engineer up to Rs 5,000/- in respect of works to be undertaken by or on behalf of Municipal Councils, I have the honour to state that it is indicated in para 4 of the preamble to the aforesaid Government Order that all the estimates irrespective of the amount involved, have to be scrutinised by the Executive Engineer up to a limit of Rs 5,000/-

According to the Notification No L 5073/M1 185-33-1 dated 10-1-34, only estimates exceeding Rs 500/- were hitherto being sent to the Executive Engineer for scrutiny before the works were undertaken Now the scrutiny of estimates by the Executive Engineer even for less than Rs 500/- seems to be obligatory, so much so, the Municipal Councils would be unable to take up even petty and urgent works for small amounts without the estimate being scrutinised by the Executive Engineer which naturally takes time This procedure retards the progress of execution of urgent petty works to a great extent I may also add that the Town and Minor Municipal Councils have employed trained Sanitary and Assistant Sanitary Inspectors who can easily prepare the required estimate for simple works for the Municipal Councils with reference to the schedule of rates maintained by them

In these circumstances, I request that you will be so good as to obtain sanction of Government to restore the previous order of 1934 or at least to fix a limit of Rs 250/- or so up to which the Municipal Councils may themselves get the work executed without the estimates being scrutinized by the Executive Engineer

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,

SIR

Subject - Re the scrutiny of estimates by the Executive Engineer in respect of Public works executed by the Municipal Agency

---

In continuation of this office letter of even No dated 22nd September 1941 on the above subject, I have the honor to forward herewith copies of letters addressed to this office by the Presidents of Hassan and Arsikere Town Municipal Councils reporting the inconvenience and delay caused by giving effect to the G O No L 8577-87/M1 83-40-4 dated 28-5-1941 which requires all estimates, irrespective of the amounts involved, to be scrutinised by the Executive Engineer This has already been explained in my letter referred to above

I request that early orders of Government may kindly be obtained to restore the original Government Order of January 1934 or at least to fix a limit of ₹ 250/- or so up to which the scrutiny of estimates by the Executive Engineer may not be required

The main file on the subject has been submitted separately If applg this will be placed in the other file
19/10/41

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District

as

Letter No Gl 1600/40 dated the 29th September 1941 from the President, Town Municipal Council, Hassan, to the Deputy Commissioner, Hassan District

---

With reference to your Memo No L Dis 1 C 8936/40 dated the 5th June 1941, forwarding copy of Government Notification No L 8577-87/M1 8340-4 dated the 28th May 1941, prescribing the procedure for the scrutiny of estimates for Municipal Works, I have the honor to state that under Rule A of Government Order No L 5086/M1 185-33-2 dated the 8/10th January 34 all estimated, the estimated cost of which were below ₹ 500/- did not require the scrutiny of any officers of the P W D but that when they exceed ₹ 500/- and 10000/- the scrutiny of the Superintending Engineer and the Chief Engineer respectively was required As per the latest notification under advertance all estimates for Municipal works irrespective of the amount require the scrutiny of the Public Works Officers this may lead to avoidable delay in the execution of very many petty work of the Municipality where the estimated cost of more than 90% of the work will not exceed ₹ 200/- Much time will be taken in correspondence and scrutiny of the same in the Executive Engineer's Office, due to receipt of estimates of all the Municipalities of the Division during one particular season To avoid delay I may be permitted to state that the old practice of getting the estimates costing more than ₹ 500/- scrutinised by the Public Works Department may continue with advantage both in the interest of prompt execution of Municipal works as well as avoiding heavy work in the Divisional Offices

A recommendation may kindly be made to the Government in the matter Any way as per orders, the estimates are being sent to the Executive Engineer for scrutiny

=========

" Copy"

Deputy Commissioner,
Hassan District

as

Letter No H C 40/41-42 dated the 7th September 1941 from the President, Town Municipal Council, Arsikere to the Deputy Commissioner, Hassan District

---

Subject - Execution of petty repair works etc , through the Municipal Agency

---

I beg to state that 7 public works have been sanctioned by the Municipal Council to be executed in this Municipality, at their meeting held on 23-9-41 Vide, subject No 12 (a) & (b) As per Government No 8377-87/M1 83-13-4 dated 25th May 1941 forwarded to this office by the Deputy Commissioner, Hassan District, in his Memo No Dis 3226/40 dated 3rd June 1941, it is required that all the estimates prepared for the works to be executed in the Municipalities should be sent to the Executive Engineer, of the Division for scrutiny In this connection I beg to state that by experience it is observed that much delay is caused in the execution of the public works by sending the estimates to the Executive Engineer, for scrutiny In view of the fact that as necessity arises, many petty repairs works etc , have to be got executed at a short time, the procedure of sending the estimates prepared to the Executive Engineer for scrutiny for petty items of works, will cause much delay and also great inconvenience to the public

I further beg to state that the estimates for the works are being prepared on the basis of the schedule of rates adopted by the P W D and also in consultation with the local P W D Overseer at Arsikere who is also Ex-officio Member of the Municipal Council

Under the circumstances explained above, I beg to request that permission may be accorded for executing petty repairs works etc , involving an expenditure of below Rs 500/- in each case, without sending the estimates prepared, for the scrutiny of the Executive Engineer when all the works have to be got executed urgently

Out of the seven works sanctioned by the Municipal Council, at their meeting held on 23-9-1941, I beg to state that the works noted in the

noted in the margin have got to be executed urgently before the close of the rainy season and so they may kindly be permitted to be got executed on the basis of the estimates prepared as per the schedule of rates adopted by the P W Department and in consultation with the P W D Overseer, and also sanctioned by the Work committee as the estimates prepared in each does not exceed Rs. 300/- as all these small works require very little professional scrutiny the extract from the proceedings of the Council meeting sanctioning the estimates of the above said works is submitted herewith for kind information and early instructions in the matter

1	Construction of shed for the sale of beef	Rs 189/-
2	Repairs to vegetable market	" 282/-
3	Mettalling shandy maidan roads	Rs 250/-
4	Construction of cross middle walls for the stalls in shandy	" 198/-
